Weekly Report

Submitted herewith is the report for the week ending 5 March:

1. Last Tuesday I discussed with [REDACTED] a program he had prepared for the BOC. The first two weeks of the course represented a condensed version of about four weeks of the BIC. [REDACTED] program seemed to me, on the whole, a satisfactory one. After he completes some further discussions in TRS he plans to meet with me again. Subject to scheduling arrangements, I offered to provide instruction for such segments of the course as could not be covered by the BOC staff.

2. The Registrar states that as of this date the total number of persons nominated for BIC 8 is 26, including 6 JOT's. There are 6 possible additions.

3. The Reading Improvement Branch currently has 85 students enrolled in four training courses and three retention programs. Three Agency classes and one covert class will complete training on 6 March. New classes are scheduled for 16 March.
